## **ABOUT THIS SHOW**

48 years ago in 1974, Ted Unseth and his Classic Jazz Orchestra performed at The Cedar. Fast forward to 2022: “déjà vu all over again” (Yogi Berra). Since 1973, Ted has championed note-for-note transcriptions of classic American Jazz Orchestra recordings performed live! and in concert. In 2022, De Stijlistics remains true to that vision. The repertoire is more varied than any other musical group; each arrangement distinctly different from all others—historically significant and compositionally unique. Some thought that Ted’s ‘run’ was over after all this time, but at age 75, he’s the Comeback Kid of 2022. History will be made on Father’s Day, June 19th.
